

# EAN

(low quality EAN 13 codes from Polish shopping centre — encoded product code + weight in grams / kilograms)

(two examples of EAN 8 and EAN 13 — encoded numbers written below)

(EAN 13 — encoded number written below; additional code not recognized)

EAN 13

EAN 8

(EAN 13 overlayed image)

(multicolor EAN 13 — small overlayed graphics is not a problem)

Barcode Scanner plugin reads EAN\_8 and EAN\_13 type codes on all supported platforms.
